What is the Target ? Quick & Basic Revision of Important things of Class 11th that are used in Class 12th extensively

Each Lecture would be around 45 Minutes long and would be uploaded at a gap of 2-3 days

Each DPP will contain just 10 questions - target is to just get hold of the concept

Live Class will be of 40 minutes - on Friday/Saturday Night - discussion of Top Questions of DPP

Test will consist of 15 questions in 30 minutes and will act as Qualifier Exam - without qualifying you will not be part of next week
